Hello Susann,

My name is Ana and I am reaching out to you in regards to property at [1845 Beach Ave Salem, OR](#). We were instructed to contact you for land use authorization on the property. We plan to build a shop for our locally owned landscaping company. I am not sure what exactly you would need from me. If you could please inform me of what you might need from me I would truly appreciate it.

Respectfully,
Ana Magana
