Hi Tim,

Here are the addresses I've created for the 9 apartments and 1 clubhouse. Please note this is a rushed job and I'm hoping I don't have to change anything, but hopefully it would be a minimal impact. Buildings A and B are addressed off Medical Center Dr and the other buildings off 23rd St NE.

You can start working on getting those applications updated and sent to us again. You are missing one Commercial Building Permit Application, and that is for the **Civil Sitework Only** permit. We always review Civils on a separate permit for efficiency. You can submit that on the Clubhouse address 739 23rd St NE. Please enter the Site Plan Review number 23 123424 00 PLN on all the applications. The accessory buildings like mail pavilion, bike parking, trash enclosure are addressed to the nearest building.
