stick built construction

Project's Existing Material: _____ Project's New Material: _____

Project Description

Briefly provide an overview of the type of work proposed. Describe how it meets the applicable design criteria in SRC Chapter 230. Please attach any additional information (i.e., product specification sheets) that will help staff and the HLC clearly understand the proposed work:

~~Original single-family home built in 1901 at this address was destroyed in a fire and no longer exists. Current plan to build new construction to replace the destroyed house, keeping with historic design and style of the neighborhood.~~
