Subject: Land Use Application in Your Neighborhood

Hello,

This is a courtesy email to let you know that a land use application(s) has been received for property within the boundaries of, or abutting, your neighborhood association. The Planning Division provides this early notice to the Chair(s) and Land Use Chairs of the affected Neighborhood Association(s).

The current proposal is for two Tree Variances and a Class 2 Driveway Approach Permit for future development of a vacant lot.

The property address is: Unaddressed corner lot at Schurman and Gilbert (next to 1030 Schurman Dr S)

This application has not yet been deemed complete. Once the application is deemed complete, official notice, noting the comment period and/or public hearing date, will be sent. Please note this proposal may substantially change based on comments City staff provide to the applicant during our review. It is also possible that this application may be withdrawn or may expire before notice is sent.

All documents and evidence submitted by the applicant are available on the City's online Permit Application Center at <https://egov.cityofsalem.net/PACPortal>. You can use the search function without registering and enter the permit number listed here: **24-125192-PLN**. Paper copies can be obtained for a reasonable cost.
