This is Tom and Valerie Mayer. We live at 2626 Gilbert St S adjacent to the proposed Schurman Dr Cottage Clusters. We feel removing parking on Gilbert to add a driveway access to the proposed development will add to an already congested corner. We currently have two apartment complexes and potentially a third that use our street as overflow parking. Not to mention the increased foot traffic. We attended several SWAN meetings voicing our concerns but felt we weren't heard. What we're asking for is that the driveway be moved to Schurman Dr. You've been helpful in the past when we had problems on our street, as you may recall. We're hopeful you can help us again.

Thank you!
