Subject: LAND USE PROPOSAL FOR 3021-3027 D ST NE SALEM. OR 97301

Thank you Ms. Donaldson for speaking to me today about the proposal to develop the property across from my home at 3040 D St NE. I would appreciate your agreement to notify me about the final decision to develop when it is made in the coming weeks. If there is an open meeting please let me know so I can attend. My hope the developers will use good judgment taking into consideration the number of children walking to school and the additional traffic that will be generated. Thanks, again. Reva Hopkins Evans
