Sorry, I forgot. I like to give 30 days first. Then if another 30 days is needed then I will give that at that time.

At this time, we would like to request a **30-day time extension** to the 120-day state mandated decision date.

Thank you,

Thanks! Also, can you confirm that a 60-day extension has been granted for this application? I know in a previous email that you stated you wouldn't mind granting the extension after knowing the reasoning behind it, but I just want to confirm for our records, thanks!
