Subject: ODAV Comments on City of Salem File No. SPR-ADJ-TRV-DAP25-16

Good morning Peter,

Thank you for providing the opportunity for the Oregon Department of Aviation (ODAV) to comment on file number(s): SPR-ADJ-TRV-DAP25-16

ODAV has reviewed the proposal and prepared the following comment(s):

12 In accordance with FAR Part 779 and OAR 738-070-0060, the proposed development may be required to undergo aeronautical evaluations by the [FAA](#) and [ODAV](#). The applicant can use the FAA's [Notice Criteria Tool](#) to determine which proposed structures (including cranes or other tall equipment used during development or maintenance) warrant a *notice of construction*. If so, they are required to provide separate notices of construction to both the FAA and ODAV. The applicant should receive the resulting aeronautical determination letters from the FAA and ODAV prior to approval of any building permits.

Please reach out if you have questions or concerns. I'm available if the applicant has any questions or wants our input at this stage.

Best,

BRANDON PIKE
