SECTION 2: PERMIT CONDITIONS—TO BE FILLED OUT BY CITY STAFF

Arterial and collector daytime work hours are 8:30 a.m. to 3:30 p.m. unless otherwise required or approved by the City Traffic Engineer.

1. All work shall be done in accordance with all applicable provisions of federal, state, and local laws, ordinances, and administrative rules.
2. All work in public right-of-way and all work which is connected, directly or indirectly, to City of Salem water, sanitary sewer, or storm sewer lines shall be constructed in accordance with applicable City of Salem Standard Construction Specifications.
3. Any full street closure that restricts emergency services requires the contractor to call the City of Salem Public Works Dispatch Center at 503-588-6311 to notify of closures and re-openings.
4. Permittee shall indemnify, defend, and save harmless the City of Salem, its officers, employees, and agents from any and all claims arising out of or in connection with any work done under this permit.
5. The City Traffic Engineer, or their designee, reserves the right to deny or modify the submitted traffic control plan. Should a problem arise as a result of the approved traffic control, additional traffic control may be required at the permittee's expense.
6. This permit may be revoked at any time by the Public Works Director or their designee.
