Cities and counties have a responsibility to notify the Department of State Lands (DSL) of certain activities proposed within wetlands mapped on the Statewide Wetlands Inventory. Robin Dalke from city of Salem submitted a WLUN pertaining to local case file #: PAR-ZC 15-04.

Activity location:

township: 08S range: 03W section: 05 quarter-quarter section: AA

tax lot(s): 100

street address: 3155 River Rd S

city: Salem

county: Marion

latitude: 44.911093

longitude: -123.073396

Mapped wetland/waterway features:

☒ The national wetlands inventory shows a waterway on the property.

Oregon Removal-Fill requirement (s):

☒ A state permit is required for 50 cubic yards or more of removal and/or fill in wetlands, below ordinary high water of streams, within other waters of the state, or below highest measured tide where applicable.

Your activity:

Contacts:

☒ For permit information and requirements contact DSL Resource Coordinator (see website for current list) http://www.oregonstatelands.us/DSL/contact_us_directory.shtml#Wetlands Waterways

☒ For removal-fill permit and/or wetland delineation report fees go to http://www.oregon.gov/DSL/PERMITS/docs/rf_fees.pdf

☒ This is a preliminary jurisdictional determination and is advisory only.

Comments: Based on a review of the available information, it does not appear that the proposed parcels have jurisdictional wetlands or waters other than Croisan Creek.

Please note that a permit will be required for 50 cubic yards or more of work below the Ordinary High Water of Croisan Creek.
