Chris,

We are here by giving a 30 day time extension for the Reed Lane UGA. This will add 30 days to the 120-day state mandated decision date.

Brandie,

Chris Green just told me that we're running up against the 120-day deadline. He'll need to know if your client is willing to extend in order for us to finalize the park siting discussion.

Glenn,

I'm sorry I missed your call yesterday. I just got back from vacation so I'm busy answering emails and messages. I will give you a call soon.

Thank You,
