#### **CLASS 1 ADJUSTMENT**

Pursuant to SRC 250.005(d)(1), an application for a *CLASS 1 ADJUSTMENT* shall be granted if all the following criteria are met:

- A. The purpose underlying the specific development standard proposed for adjustment is:
  1. Clearly inapplicable to the proposed development; or
  2. Clearly satisfied by the proposed development;
- B. The proposed adjustment will not unreasonably impact surrounding existing or potential uses or development.

#### **HOW TO PROVIDE TESTIMONY:**

Any person wishing to speak either for or against the proposed request may do so in person or by representative at the Public Hearing. Written comments may also be submitted at the Public Hearing. Include case number with the written comments. Prior to the Public Hearing, written comments may be filed with the City Recorder, 555 Liberty Street SE, Room 205, Salem, OR 97301.

#### **HEARING PROCEDURE:**

The hearing will be conducted with the staff presentation first, followed by the proponent's case, neighborhood organization comments, persons opposed, other interested persons, rebuttal and surrebuttal. The applicant has the burden of proof to show that the approval criteria can be satisfied by the facts. Opponents may rebut the applicant's testimony by showing alternative facts or by showing that the evidence submitted does not satisfy the approval criteria.

Failure to raise an issue prior to the close of the Public Hearing in person or in writing, or failure to provide statements or evidence with sufficient specificity to provide the applicant and Review Authority to respond to the issue, precludes appeal to the Land Use Board of Appeals (LUBA) on this issue. A similar failure to raise constitutional issues relating to proposed conditions of approval precludes an action for damages in circuit court.

Following the close of the Public Hearing, a decision will be issued and mailed to the applicant, property owner, affected neighborhood associations, anyone who participated in the hearing, either in person or in writing, and anyone who requested to receive notice of the decision.
