Re: Wren Heights Case # SUB-ADJ1902

July 16, 2019

Dear Mayor Bennett and Members of the City Council;

I am a resident of the Salem Heights Neighborhood. My home at 618 is one of the 35 condominiums within the Villa Candalaria complex.

I fervently hope you will reject the Wren Heights Case # SUB-ADJ19-02. That development will have a truly negative impact on the safety of Salem Heights Avenue and this unique neighborhood – the exact opposite to what thoughtful residential planning should be.

We want to maintain and see prosper a vibrant, healthy neighborhood, one with as many great old trees left in place as is possible. They are a gift to our sense of wellbeing, as well as a key to a life giving aesthetic.

We want to have a safe Salem Heights Avenue with much needed sidewalks that encourage people to walk and bike. We want to see something fine created for our city....a project that maintains and honors the rural character of the neighborhood

with its abundance of White Oaks and open spaces and carefully addresses the needs of all within the community.

Please reject Case # SUB-ADJ19-02

Sincerely,

Nancy Lindburg
