PROPOSAL REQUEST:

A tentative subdivision plan to divide approximately 4.71 acres into 24 lots ranging in size from 4,633 square feet to 9,314 square feet.

The subject property is approximately 4.71 acres in size, zoned RA (Residential Agriculture), and located at 4560 Center Street NE (Marion County Assessor Map and Tax Lot Number 072W30AA / 8000).

APPLICATION PROCESS:

Following the close of the Public Comment Period, a decision will be issued and mailed to the applicant, property owner, affected neighborhood association, anyone who submitted written comments, and anyone who received notice of the land use request.

Failure to raise an issue in writing prior to the close of the Public Comment Period with sufficient specificity to provide the opportunity to respond to the issue, precludes appeal to the Land Use Board of Appeals (LUBA) on this issue. A similar failure to raise constitutional issues relating to proposed conditions of approval precludes an action for damages in circuit court.

Documents and evidence submitted by the applicant are available for review and paper copies can be obtained at a reasonable cost. You can also find out more
