Subject: Affordable housing

I just wanted to send in my support for the push for affordable housing that is currently on the table. I know there has been some vocal pushback but I'm confident that's due to wannabe elites who want to complain about our homeless neighbors while simultaneously throwing up roadblocks to granting easier access to housing. I know it has been an ongoing issue and I hope it will soon be resolved in the favor of constructing more units. Thank you for your time.
