Hello. Salem , Oregon was where 3 of us sisters were born. And we used to live next door to Uncle George Veall. He owned the Camp Crestwood. On the old Sunnyside Rd SE. Then our grandma and Grandpa Wallace And Kate Barnes owned the property on Ridgeway Dr. SE On the Turner Mk. road. Grandma and Uncle Tom Barnes sold to Bryant Enterprise's. They also had 7 acres of 🍒. They sold in Nov 1970. Just reminiscing. 😊 Salem has gone down the drain. Our beautiful Salem. Not because of homeless, maybe some, but people from Cal. came in and build up things, and raised rent. Us girls went to North Salem High. I lived in Cal 50 yrs till 2016. My husband and I went back after We married in 62. We stayed in 63 and 64. We left in Spring came back. I wanted to know why people sell. Must be the family. Because there is no real reason to turn that into a subdivision, really. It is Historical. The people who bought some land So of town. Old Illihee at Turner, Oregon , now have it as Illihee Hills. Over a million \$ on houses. I do know life and things can never stay the same for the people who like historical property and things. Thank you 😊 Sincerely, Charlotte Schreffler Medford Oregon.
