Subject: Subdivision Historic 30 Acre Meyer Farm. Case No SUB 21-09

Dear Mr Panko,

I am submitting my comments regarding the proposed development of the Meyer Farm. The current plan calls for a 138 lot of SFR.

This is far too dense considering the proximity of a major commercial street which will increase traffic in an already busy thoroughfare. Additionally, the removal of hundreds of oak trees goes against Salem's plan for environmental sustainability.

I believe either an extension of Hilfiker Park or, at the very least, building townhomes which could save more trees would be a better solution.

Sincerely,
Paula Clsrke
