Message	<p>I am so disgusted that Salem would allow for 30 acres of historic land and trees to be turned into ANOTHER subdivision. We do not have a housing problem. We have a affordable housing problem. There are plenty of homes available but adding more overpriced homes to the market will not help anyone.</p> <p>https://douglasnewby.com/2014/07/adding-density-destroys-neighborhoods-one-house-at-a-time/ https://www.theguardian.com/cities/2014/sep/17/truth-property-developers-builders-exploit-planning-cities https://seekingalpha.com/article/4384367-3-reasons-why-really-is-no-housing-shortage</p>
