

## REQUEST FOR COMMENTS

*Si necesita ayuda para comprender esta información, por favor llame 503-588-6173*

**REGARDING:** Class 3 Site Plan Review / Class 2 Adjustment Case No. SPR-ADJ21-25

**PROJECT ADDRESS:** 2499, 2501, 2519, 2539, and 2551 Wallace Rd NW, Salem OR 97304

**AMANDA Application No.:** 21-106129-RP, 21-106130-ZO

**COMMENT PERIOD ENDS:** October 19, 2021

**SUMMARY:** A 189-unit multi-family development with an office/recreation building and pool.

**REQUEST:** A consolidated Class 3 Site Plan Review and Class 2 Adjustment application for a proposed development to include 189 apartments, an office/recreation building, pool, and parking on a development site including 7.59 acres located in the MU-II (Mixed Use - II) zone at 2499, 2501, 2519, and 2551 Wallace Road NW - 97304 (Polk County Assessor Map and Tax Lot 073W09CD / 00900, 01000, 01101, 01301) and 0.51 acres located in the RD (Duplex Residential) zone at 2539 Wallace Road NW 97304 (Polk County Assessor Map and Tax Lot 073W09CD / 01300). The applicant proposes alternative street standards to deviate from the street spacing and connectivity standards in SRC Chapter 803 to allow a pedestrian connection rather than a street connection to La Jolla Drive NW, eliminate required street connectivity to abutting undeveloped properties, and deviate from block length standards that would require a street connection at a maximum block length of 600 feet along Wallace Road NW. The application includes adjustments to:

- (1) Increase the maximum building setback adjacent to Wallace Road NW from 10 feet to 12 feet;
- (2) Increase the maximum setback adjacent to La Jolla Drive NW from 10 feet to approximately 37 feet;
- (3) Reduce building setbacks from 10 feet to 0 feet abutting internal property lines so that the buildings may cross existing internal property lines in anticipation of a future property boundary verification;
- (4) Reduce vehicle use area setbacks from 10 feet to 0 feet abutting existing internal property lines;
- (5) Reduce the street frontage requirement from 16 feet to 0 feet to allow development on 2501 Wallace Road NW, which is currently landlocked;
- (6) Reduce the minimum required building frontage along Wallace Road NW from 50 percent to 0 percent.

The Planning Division is interested in hearing from you about the attached proposal. Staff will prepare a Decision that includes consideration of comments received during this comment period. We are interested in receiving pertinent, factual information such as neighborhood association recommendations and comments of affected property owners or residents. The complete case file, including all materials submitted by the applicant and any applicable professional studies such as traffic impact analysis, geologic assessments, and stormwater reports, are available upon request.

**Comments received by 5:00 p.m. Tuesday, October 19, 2021,** will be considered in the decision process. Comments received after this date will be not considered. *Comments submitted are public record. This includes any personal information provided in your comment such as name, email, physical address and phone number. Mailed comments can take up to 7 calendar days to arrive at our office. To ensure that your comments are received by the deadline, we recommend that you e-mail your comments to the Case Manager listed below.*
