Good afternoon,

My name is Kyle Wood, I work for Viking Engineering + Construction LLC in the Estimating department. In accordance with SRC 300.310, Viking EC is notifying the Sunnyslope Neighborhood Association of our land use application submittal. We are working with the Kaiser Skyline Medical Office to provide ADA upgrades to the parking lot at this facility.

Land use applicant:

Drew Schaefer - Estimator - Viking Engineering + Construction

971-998-5054 | Drew@vikingec.com

Summary of Proposal: Selective demolition of existing asphalt, remove, re-pave, and re-stripe parking lot and a small portion of existing sidewalk, not in of public right of way.

Conceptual Site Plan: See attached project drawings

Respectfully,

--
