Staff Report	<input type="checkbox"/>	Other: Franchise Utility Review	<input type="checkbox"/>

COMMENTS: Cherriots reviewed the proposal and have the following comment. The adding of these additional apartments will continue to increase traffic on liberty road. This impacts Cherriots ability to maintain schedules with our turns back on to Liberty Rd. from Davis Rd. Cherriots has been told that this intersection is scheduled to be signalized. Until the signalization of Liberty Rd and David Rd is completed Cherrriots does not support the added apartment complex that is proposed.
