Kathleen,

You stopped by the office requesting a signature for a DMV LUC at 3282 Silverton Road on November 24, 2021. The folder was created and I requested pictures of a pedestrian path required for the previous land use approval.

Since the application fee has not been paid and I have not heard from you, the folder is cancelled. If you wish to resubmit the LUC form, you may email the form and pictures to planning@cityofsalem.net. The form will not be returned to you until the fee is paid.

Thank you,

Olivia Dias (she/her)
