**SUBJECT: Wetland Land Use Notification: 255 Cordon Road NE
Permit # 21-122254-LD**

Tax lot 072W23C00100 at the above address may contain mapped wetlands or waterways as is indicated on the Salem-Keizer Local Wetland Inventory. *Oregon Revised Statute 227.350(5)* allows the City of Salem to issue development permits and approvals for activities for parcels identified as, or including wetlands on, the Local Wetland Inventory upon the following:

- Providing written notice to the applicant and landowner of the possible presence of wetlands on your property;
- Providing written notice to the applicant and landowner of the potential need for state and federal wetland permits; and
- Providing Department of State Lands (DSL) with a copy of the notification.

All, or a portion of this property has been identified as wetland and/or waterway on the Statewide Wetland Inventory *or in close proximity* to a mapped wetland and/or waterway site. If you have evidence to the contrary, please contact me as soon as possible at 503-588-6211. If the site contains a jurisdictional wetland, this proposal may require a permit from DSL and/or the Army Corps of Engineers. You must obtain any necessary state or federal permits before beginning your project. The City of Salem is not liable for any delays in the processing of state or federal permits. Enclosed is a copy of the wetland land use notice sent to DSL. DSL will contact you if any permits are required, or further information is necessary.
