Subject: Early Notice of Land Use Application Submittal

Good afternoon,

This is a courtesy email to let you know that a consolidated land use application has been received for property within the boundaries of, or abutting, your neighborhood association. The Planning Division provides this early notice to the Chair(s) and Land Use Chair(s) of the affected Neighborhood Association(s).

The current proposal is for **a new 184-unit multiple family residential development, with associated site improvements such as off-street parking, internal streets, and a community building.**

The property address is: **5205 Battle Creek Rd SE.**

The application has not yet been deemed complete. Once the application is deemed complete, official notice, noting the comment period and/or public hearing date, will be sent. Please note this proposal may substantially change based on comments City staff provide to the applicant during our review. It is also possible that the application may be withdrawn or may expire before notice is sent.

You can request copies of the application and any documents therein at any time by responding to this email. You can also monitor the status of the application online [here](#) using this application number: **22 101695 00 RP**
