Subject: Land Use Application(s) Courtesy Notice, 3495 Liberty Rd. S

Hello,

This is a courtesy email to let you know that a land use application, or a consolidated land use application, has been received for property within the boundaries of, or abutting, your neighborhood association. The Planning Division provides this early notice to the Chair(s) and Land Use Chair(s) of the affected Neighborhood Association(s).

The current proposal is for a **site plan review and two class 2 land use adjustments** (see 21-118379-RP & 21-118380-ZO); **A proposal for the replacement of a portable classroom and reconfiguration and expansion of bus lanes and off-street parking improvements for Salem Heights Elementary School.**

The property address is: **3495 Liberty Rd. S**

The application has not yet been deemed complete. Once the application is deemed complete, official notice, noting the comment period and/or public hearing date, will be sent. Please note this proposal may substantially change based on comments City staff provide to the applicant during our review. It is also possible that the application may be withdrawn or may expire before notice is sent.

You can request copies of the application and any documents therein at any time by responding to this email. You can also monitor the status of the application online [here](#) using this application number: **21-118379-RP & 21-118380-ZO**. Find other land use applications within your area [here](#).

Best,
