Hi Kirsten,

I am attaching our comments page you provided re the above captioned. As it is in small writing, let me state what it says here. It says, " We approve all three adjustments to be made to the school and they will help the surrounding residents to be able to access their own roads again. It seems without these improvements, the neighboring residents had no accessibility to their own homes due to long line of cars driven by parents bringing or picking up their children thus was a great burden on the neighbors for over 20 years. This will be a win-win for all!"

Thank you for giving us the opportunity of providing you with this information. Would it be possible for you to inform the approximate dates of both beginning of construction and its completion dates?

Thank you once again.

Hi Kaethe,

I see that the attachment doesn't have an additional comment, it's just the notice. That is fine but I wanted to confirm you didn't have any comment beyond support for the project.

Thanks!

Kirsten Straus

Hello Kirsten,

Please be advised that Northgate Neighborhood Association (NGNA)'s Board of Directors have approved the following project to make this a strong case:

Re: Case # SPR-ADJ-DR22-13 - The proposal for renovation to Hallman Elementary school includes the development of a new vehicle use area with an entrance and exit on the upper level off Portland Rd.

This meets the deadline date of March 10,2022. Kindly confirm receipt.

Thank you,
