Submittal requirements

- 4) **Site Plan:** Of a size and form and in the number of copies meeting the standards established by the Planning Administrator, containing information found in SRC 808.040(c)(1).
- 5) **Written Statement:** A statement demonstrating compliance with the approval criteria in SRC 808.035(d). If the proposed tree conservation plan results in removal of significant trees, trees or native vegetation in a riparian corridor or shows preservation of less than 30 percent of the trees on site, a statement shall be provided demonstrating that there are no reasonable design alternatives pursuant to SRC 808.040(d)(2) that would enable preservation of such trees. Additionally, if the proposed tree conservation plan results in preservation of less than 30 percent of the trees on site, a statement shall be provided demonstrating which mitigation measures, pursuant to SRC 808.040(e), the applicant is proposing.
- 6) **Additional items that may be submitted or requested:** When a riparian corridor is located on the property, the tree conservation plan shall include the information found in SRC 808.040(c)(2).

Appeal and review

Appeal and review The decision on a Tree Conservation Plan may be appealed, pursuant to SRC 300.1010. Only the applicant or the owner of the subject property have standing to appeal the decision of a Tree Conservation Plan. The decision of Hearings Officer on appeal shall be the final decision of the City.
