Olivia,

Thank you for the further explanation on the status of the matter. I have only been able to connect with my client for a few minutes since the meeting and am going on very limited information. Thus, my primary interest at this point is to not take any step that cannot be undone until I have a chance to fully review the issues with my client.

Please consider this a formal request by Phelan to pause the appeal process and extend the 120-day deadline for a final decision in the subject case by 60 days from November 5, 2022, to January 4, 2023.

Thank you for your assistance, it is much appreciated.

Best,

Steven G. Liday
