I live at 1594 Lancaster we are 4 small houses and 1 larger. My concern as is all other tenant's are the mail boxes we have to cross the street to get. We all are old have problems with mobility especially 2 of us. The traffic has increased a lot already this will be a death wish for us to get our mail. If this is approved and we know it will be the only safe solution is to move the mail boxes across the street where they should be anyway so we can get our mail without being hit by a vehicle..
