Good morning Nicole.

Thank you for reaching out to Cherriots regarding the DAS Executive Building renovation. No transit stops will be needed for this project.

Have a great day.

Good morning,

I am reaching out to check to see if any possible transit stops would be needed for a proposed renovation of the DAS Executive Building. We are getting ready to submit our Site Plan Review package to the Cit of Salem and they recommended reaching out to double check before we submit our application.

Let me know if you need any other additional information or have any further questions.

Thanks,
