Subject: Re: New Townhome Development 1900 Block Linwood St NW

Thank you Mark. Will share with the WSNA Executive Board and after your application is filed we can talk about sharing the plans with the whole WSNA and having you make a presentation at one of our meetings. We are now meeting in person at Roth's. So, a few simple questions right now. Are these two or three bedroom? What type of parking are you planning? Are they market rate or part of the complex planned for affordable housing? Is there any green space of park area planned in connection with the water quality detention area? Thank you.

Good morning,

MWSH West Salem LLC is preparing to submit application for, site plan review, design review, and other related land use approvals, for the development of a 67-unit town home units at the 1900 block of Linwood St NW. (site plan attached).

I've attached our current preliminary site plan for your review in advance of our upcoming land use submissions.

Please contact me with any questions.

Thank you,

Mark Lowen
