Jamie,

In order to allow our group additional time to review the Conditions of Approval, we are requesting a 15-day time extension to the 120-day State Mandated Decision Date.

Thank you,

Hi Brandie,

Please see the draft conditions for Titan Hill attached. These are being sent as a courtesy so we will need an answer regarding these conditions by Monday morning.

If more time is needed to review, please submit at least a 15-day extension to the 120 days. If there are conditions that need to be revisited and looked at further, please submit at least a 30-day extension.

Thank you,

Jamie Donaldson
