Okay, we will need at least a 2-week extension to accommodate if the record is left open, deliberations, and issuing the final decision. Please submit the request for that extension, and we can begin scheduling the hearing for July 18<sup>th</sup>.

Depending on what date you are proposing, we will need an extension to the 120-days to go on a different day. The Planning Commission dates are different again for the month of July for the holiday, and not yet quite finalized, but there is for sure a meeting on July 18<sup>th</sup> – does that date work for your team?

Jamie,

Sorry for the delay getting back to you. We will have some key members of our team out of town on the 27<sup>th</sup>, so we would like to request a different date.
