Hi there,

This is Michael Wilhite, I live at 1693 mahogany ct ne. I don't approve of the modifications, in this case, for many reasons; 1. I believe that this project is too close to a school. 2. It will negatively affect the neighborhood as a whole. I'm sure you can understand that without me going into detail. Just as well as how it will affect the value of my home, my house is almost paid for and I am hoping to retire in the next few years with this proposal I feel that I will have no choice but to sell my home that I have worked so hard for and start all over again. I hope that you will take my statements as serious as I do and realize how much this will negatively affect the neighborhood. On a side note, how much and how do I find out how much the property cost behind me so that I could possibly buy it I circled it in the photo. Please feel free to contact me anytime at Mike Wilhite 1693 mahogany CT ne Salem Oregon 97301. The house is owned by my domestic partner Jacoba f king. e-mail at hondacrf450r@live.com or phone number 503 949 9113
