Re: Deadline – Land Division – 2250 Strong Road SE

Our records show that you did not receive an extension to a previously approved subdivision on January 7, 2022, for 2250 Strong Road SE (FRP-PAR-SUB14-01MOD1). The final plat has not been submitted, or an extension is not requested, prior to the expiration date, the Phased Subdivision and approval will be void. The application has not received any of the four allowed extensions.

Approval Expires On: **January 7, 2024**

We are informing you of the expiration date so you can submit a final partition plat or request an extension prior to the expiration date. If no final plat is submitted, or an extension is not requested, prior to the expiration date, the tentative subdivision approval will be void.

Any questions concerning this matter should be directed to the Case Manager, Lydia Keller; email lkeller@cityofsalem.net or (503) 540-2326.

Sincerely,

Lydia Keller, Planner 1
