Hello - I am a local Engineer and Surveyor. I have a client, Chris Rehm, who will soon be proposing to the City, by formal application, a Partition of property at 995 Fairway Ave. SE. I have attached the particulars for your early information in the process. These attachments include 3 items that will be included in the formal application. They are:

1. The proposed "Tentative Plan"
2. The proposed "Schematic Utility Plan".
3. the proposed "Written Statement".

Please contact me if you have any questions.
