Terms and Conditions

Correct Information I hereby certify I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The City Traffic Engineer, or their designee, reserves the right to deny or modify the submitted traffic control plan. Should a problem arise as a result of the approved traffic control, additional traffic control may be required at the permittee's expense.

Copyright release for the government entities I hereby grant permission to the City of Salem to copy, in whole or part, drawings and all other materials submitted by me, my agents, or representatives. This grant of permission extends to all copies needed for administration of the City's regulatory, administrative, and legal functions, including sharing of information with other governmental entities.

Indemnity I, the permit applicant, shall indemnify, defend and hold harmless the City of Salem, its officers, employees and agents from any and all claims arising out of or in connection with work done under this permit.

CARISSA SLADICK (PersonID: 361840) has certified that they have read, understood, and confirm all the statements listed above and throughout the application process.

This application was electronically submitted to the City of Salem Permit Application Center on **February 12, 2024 at 10:39 AM.**
