**Terms and Conditions:**

1. Permitted work shall comply with the Salem Revised Code, Design Standards, City Standard Construction Specifications, applicable state and federal regulations, and other applicable requirements.
2. Permittee shall indemnify, defend and save harmless the City of Salem, its officers, employees and agents, from any and all claims arising out of or in connection with work under this permit.
3. Utility locations are based on record information and should be field-verified. Call 1-800-332-2344 at least 48 hours prior to construction for on-site locating of utilities.
4. All permits are valid for 180 days from the date of issuance unless otherwise noted. Extension may be granted at the discretion of the Public Works Department.
5. Work is performed on a full cost-recovery basis. Upon conclusion of the work or process, permittee will be billed for all expenses exceeding the minimum fee collected herewith.
6. To schedule water/sewer/storm taps, call 503-588-6333. Taps are generally available within two business days.
7. Contractor is responsible to excavate and shore the trench to OROSHA standards prior to service ; improper site preparation may result in a Site Not Ready Charge fee as specified by council resolution.
8. Call the City's Construction Inspector assigned to your project at 503-588-6211 to schedule inspection.

**Special Conditions:**

Contractor to follow all State and Federal Regulations. Private Plumbing Permits are required for all on-site utility installation (Please contact Building & Safety 503-588-6256). Any work performed within Public Right-of- Way requires a separate "Work In ROW" permit (Please contact Ron Adkins or Van Tran at 503-588-6211).
