---

**Terms and Conditions:**

1. Permitted work shall comply with the Salem Revised Code, Design Standards, City Standard Construction Specifications, applicable state and federal regulations, and other applicable requirements.
  2. Permittee shall indemnify, defend and save harmless the City of Salem, its officers, employees and agents, from any and all claims arising out of or in connection with work under this permit.
  3. Utility locations are based on record information and should be field-verified. Call 1-800-332-2344 at least 48 hours prior to construction for on-site locating of utilities.
  4. All permits are valid for 180 days from the date of issuance unless otherwise noted. Extension may be granted at the discretion of the Public Works Department.
  5. Permit includes one inspection. Additional inspection fees shall be paid prior to reinspection.
  6. Permittee guarantees, through a City-approved Street/Easement Opening Blanket Bond, the permitted work for a period of one year from the date of final acceptance by the City.
  7. Approved City inspection is required prior to work being covered. Call 503-589-2021 for inspection on next business day.
  8. To schedule water/sewer/storm taps, call 503-588-6333. Taps are generally available within two business days.
  9. Contractor is responsible to excavate and shore the trench to OROSHA standards prior to service ; improper site preparation may result in a Site Not Ready Charge fee as specified by council resolution.
